

MSO

Sponsor the **Maryland Science Olympiad!**

Teamwork Highlights Diversity

Fun, Sports-like Leagues

Team Sponsors

MSO emphasizes **teamwork**. Team sponsors understand that every individual plays an important part on a team. By working together, we achieve amazing accomplishments. Donations of **\$50** may be designated to specific teams and provide name recognition on the MSO website. Since MSO is a K-12 Educational Public Charity, all donations are tax deductible!

Tournament Sponsors

Tournaments bring hundreds of Maryland's best and brightest students, science teachers, and parents to college campuses year after year. Donations of **\$1,000** provide name recognition on the MSO website and printed tournament materials such as programs and banners. Sponsors may "present" medals and trophies to finalists during thrilling MSO awards ceremonies.

Regional Sponsors

Demonstrate corporate community concern by supporting one of six MSO regions within Maryland. Donations of **\$2,500** provide name and logo recognition on the MSO website and all regional printed media.

Statewide Sponsors

Our highest level sponsors take responsibility for MSO planning, staffing, and statewide growth! Donations of \$40,000 include **lifetime** name and logo association with one field of competition.
